MEMORANDUM FOR: Chief, Far East Division
Director of Logistics
Chief, Paramilitary Division, PP Staff
Chief, Near East Division
Chief, Technical Services Staff
Director of Training
Chief, Soviet Russia Division

SUBJECT: Demonstration C-118 Conveyor Dispatch System and Low Level Drop Techniques.

1. An air drop demonstration of the C-118 roller conveyor system and drop techniques currently employed in the Far East area will be conducted at ISOLATION 2 September 1959. This will include a static display of the C-118 with load rigged for drop, a resupply drop, and weather permitting, a personnel drop with the steerable T-10 parachute. The T-10 has been modified for steerability and has been proven operationally for infiltration of agents in rough terrain and high elevations.

2. It is requested that interested personnel contact Miss Pat Hoover, DPD/AS, Ext. 3791 or 3792 prior 1 September to arrange travel.
